TriNova Training Center – Mobile, AL
8:00 AM – 5:00 PM

7:30 AM – 1:00 PM Check in and Registration

8:00 – 10:00 AM TECHNICAL SESSION

SMART FIELD DEVICES: LEVEL & FLOW

Seminar 1: TOF Technologies, Theory of Operation for Thru Air and Guided Wave Two Wire Radar Technologies with emphasis on Proper Installation and Design Considerations.

Seminar 2: Adaptive signal processing techniques for Magnetic Flow Meters that address application challenges such as high solids, elevated pulp consistency, dynamic chemical concentration and mechanical installation challenges.

Seminar 3: Bent and Straight Tube Coriolis Flowmeter, Theory of Operation with Regard to Flow and Density Measurement, How to Specify, and Proper Installation Considerations.

10:00 – 10:15 AM BREAK

10:15 – 12:15 PM TECHNICAL SESSION II

PROCESS OPTIMIZATION AND DIGITAL TRANSFORMATION

Seminar 4: Next Generation Field Devices?

- **Let's explore how increased connectivity and a modern IIOT architectures lead to new and previously unimaginable opportunities to predict and detect asset health and process variables in real-time with very little configuration!**
- **Digital communication protocols overview, applications, and roadmap to enable digital transformation.**
- **Ethernet/IP AP.**
- **Bluetooth communications for instrumentation – Safe and efficient way to troubleshoot and configure devices.**

Seminar 5: Advanced Control Valve Diagnostics:

- **Bench Mark / Black diamond**

Seminar 6: Reduce Unscheduled Downtime:

- **Netilion Health is a cloud based digital asset-health management service that when combined with Rockwell Fix CMMS puts your maintenance team a step ahead of problems.**
- **Find out how intelligent field devices are now capable of “Phoning Home” to schedule their own maintenance.**

12:00 – 1:00 PM LUNCH*TriNova Training Center**Lunch Included with Meeting Fee***1:00 – 3:00 PM TECHNICAL SESSION III****PROCESS OPTIMIZATION AND DIGITAL TRANSFORMATION****Seminar 7: PID Loop Tuning**

- **Next generation of advanced PID loop Tuning**
- **Control Valve Advanced Diagnostics – Black Diamond Software**

Seminar 8: Main Instrument Vendor programs -Execution of large capital projects through MIV

- **Digital thread to ensure fast and reliable execution of Capex projects, maintaining data integrity all the way through hand off to operations.**

Seminar 9: TBD**3:00 – 3:20 PM BREAK****3:20 – 4:35 PM TECHNICAL SESSION IV****PROCESS OPTIMIZATION AND DIGITAL TRANSFORMATION****Seminar 10: Not All Data Is Good:**

- **Identifying conditioned based maintenance and reliability.**

Seminar 11: TOWN HALL “OPEN DISCUSSION ON DIGITAL TRANSFORMATION IN THE PULP AND PAPER INDUSTRY”

4:35 – 5:00 PM - Supplier Society Meeting

5:00 – 7:00 PM – Social Reception & Vendor Exhibits

Light Snacks & Refreshments

Endres Core Of Excellence Center, TriNova – Mobile, AL

(Sponsored by Gulf Coast TAPPI & the GCT Supplier Society)

7:00PM – Dinner (served at TriNova)

EGM PLANT TOUR & HANDS-ON DEMONSTRATIONS
FRIDAY MORNING
EGM Plant Tour – Mobile, AL
TriNova Process Training Unit – Mobile, AL

FRIDAY, August 18, 2023

8:00 AM – 10:00 AM

Plant Tour At EGM, Mobile AL

Chemical Feed / Skid Systems

10:00 AM - 12:00 PM

Friday Labs: 2 (60) minute rotating Labs for:

A. Magnetic Flow & Radar Level

B. PID Loop Tuning

These will be hands-on based on the Prior Day Technical Seminars, working with the Process Training Unit.

MEETING OFFICERS

Meeting and Session Chairman: Tim Watson - TriNova – Mobile, AL

Local Arrangements: David Neal – Hoist & Crane “Service Group” – Mobile, AL

Spring 2024	TBA	TBA	TBA	TBA

TAPPI'S ANTITRUST POLICY STATEMENT

The Technical Association of the Pulp and Paper Industry, Inc. is a professional and scientific association organized to further the application of the sciences in the pulp and paper industry. Its aim is to promote research and education in the practice of pulp and paper manufacture. TAPPI is not intended to, and may not, play any role in the competitive decisions of its members or in any way restrict competition in the pulp and paper industry.

Please note that TAPPI policy prevents the scheduling of business or social activities between and among participants during times of scheduled TAPPI functions.
